

# SAFE PATIENT TRANSFERS

Join us for a program designed to provide caregivers with practical skills, fall prevention strategies, and equipment knowledge to safely support transferring individuals in the home environment.

## Schedule

**SESSION A: Learning Standard Transfers**  
Monday, June 1 - 9:00AM-11:00AM

**SESSION B: Transfers Done With Devices**  
Monday, June 8 - 9:00AM-11:00AM

**SESSION A: Learning Standard Transfers**  
Monday, June 15 - 2:00PM-4:00PM

**SESSION B: Transfers Done With Devices**  
Monday, June 22 - 2:00PM-4:00PM

## Improve your techniques

This training emphasizes hands-on learning, safety, and confidence-building. As space is limited, please register for one or two complimentary sessions.
